#### Foreword

The spotlight is now on our future; Our hands are guiding us to our future positions.

We have worked and used our hands in school for many reasons--some were strong hands and were sought by others for guidance; while other hands were weak and sought the support of stronger ones.

Yet, in the four years of high school, each and every hand has played a great part. May our hands perform each task well; may they be strong hands.

We, the annual staff of the Marlintonian, dedicate the annual of 1960-61 to the memory of William Clayton (Billy) Defibaugh, son of Mr. and Mrs. Wilson William Defibaugh. Billy, a member of the class of 1960-61, was killed in an automobile accident July 28, 1956.

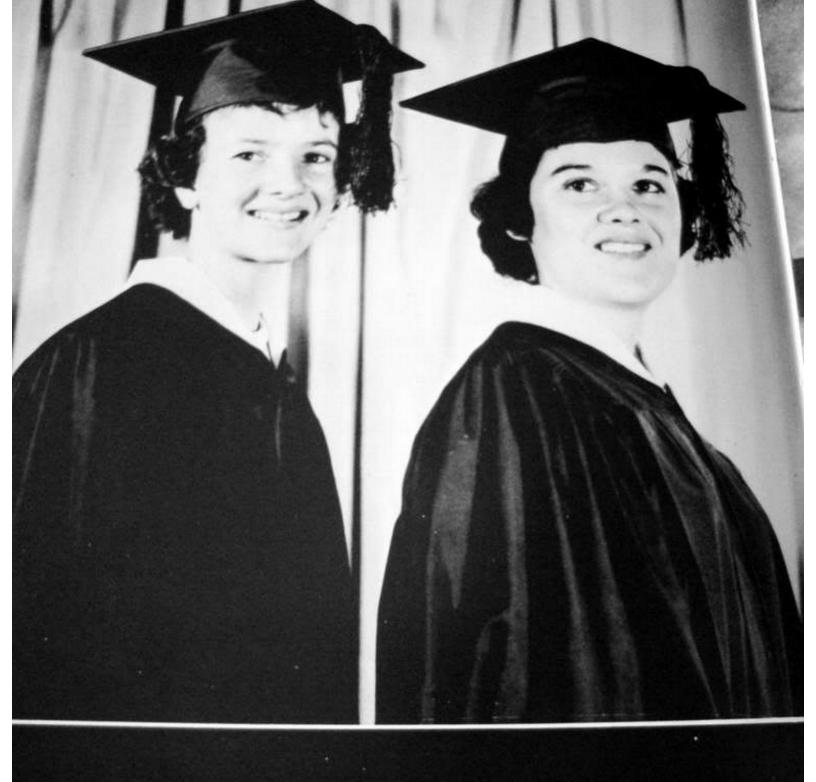

With this dedication we offer the 1960-61 Marlintonian as a memorial to him, our classmate. Our memories of his fine qualities will never fade.

Billy, We have missed you sadly,
We know you've missed us, too.
To go through school without you
Has been so hard to do.

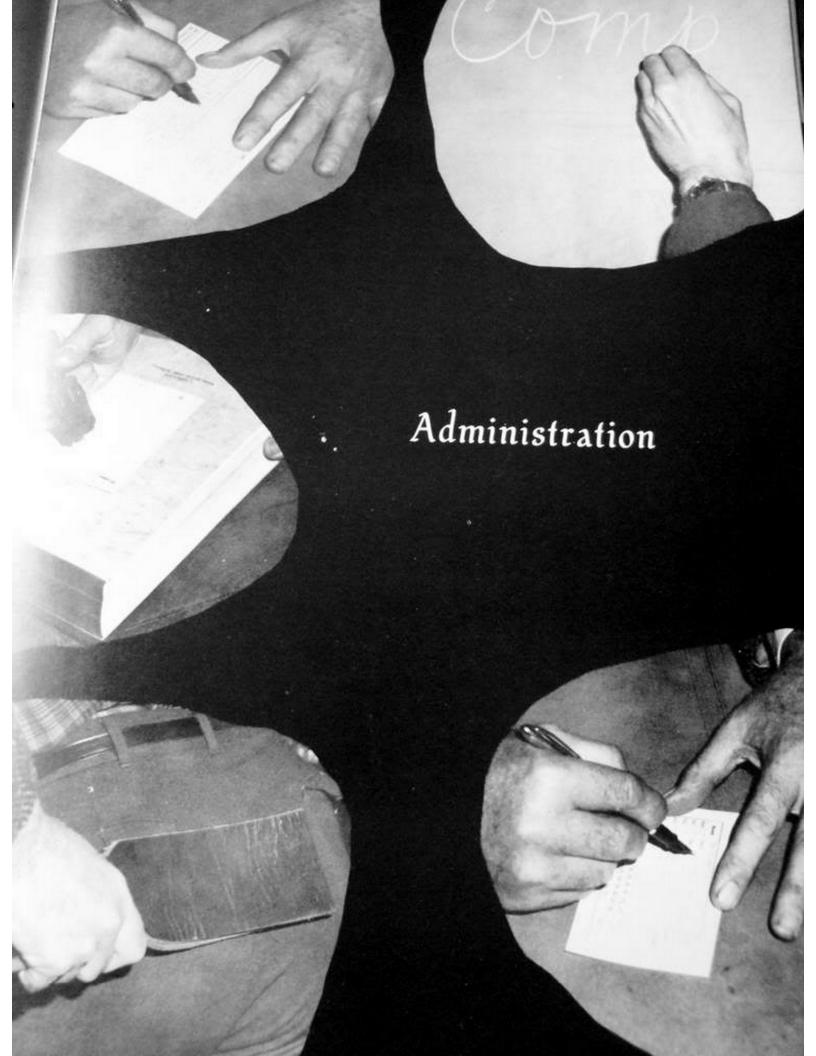

We all still have love for you Deep within our heart, Someday, somewhere we'll meet again And then we'll never part. this dedication we other the 1950-61 Marlintonian as a emorial to him, our classmate. Our memories of his fine qualities Il never fade.

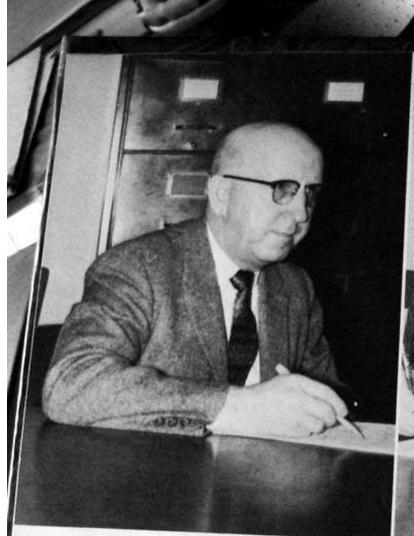

To go through school without you We know you've missed us, too. Billy, We have missed you sadly, Has been so hard to do.

Someday, somewhere we'll meet again We all still have love for you And then we'll never part. Deep within our heart,

The world is waiting for you. It has need of you - of your gifts, culture, and power. It has a place, too, for each of you. It may not be an exalted place; not a name in the class of 1961 may ever be known to fame or live on the historic page, but there is a greatness which each of you may attain. It is simply the greatness of a good life; a life that makes the most and the best of opportunities.

Your future will depend upon you - upon the use you make of the gifts and powers you possess - upon the ends you choose and towards which you work - upon the worthiness of your aims and purposes in life.

So may we suggest that you be true to yourselves, to your age and country; true to your school and to the obligation imposed by the intellectual and moral culture that you have received.

Sincerely yours,

M. H. Brooks, Superintendent

J. K. Arbogast, Assistant Superintendent

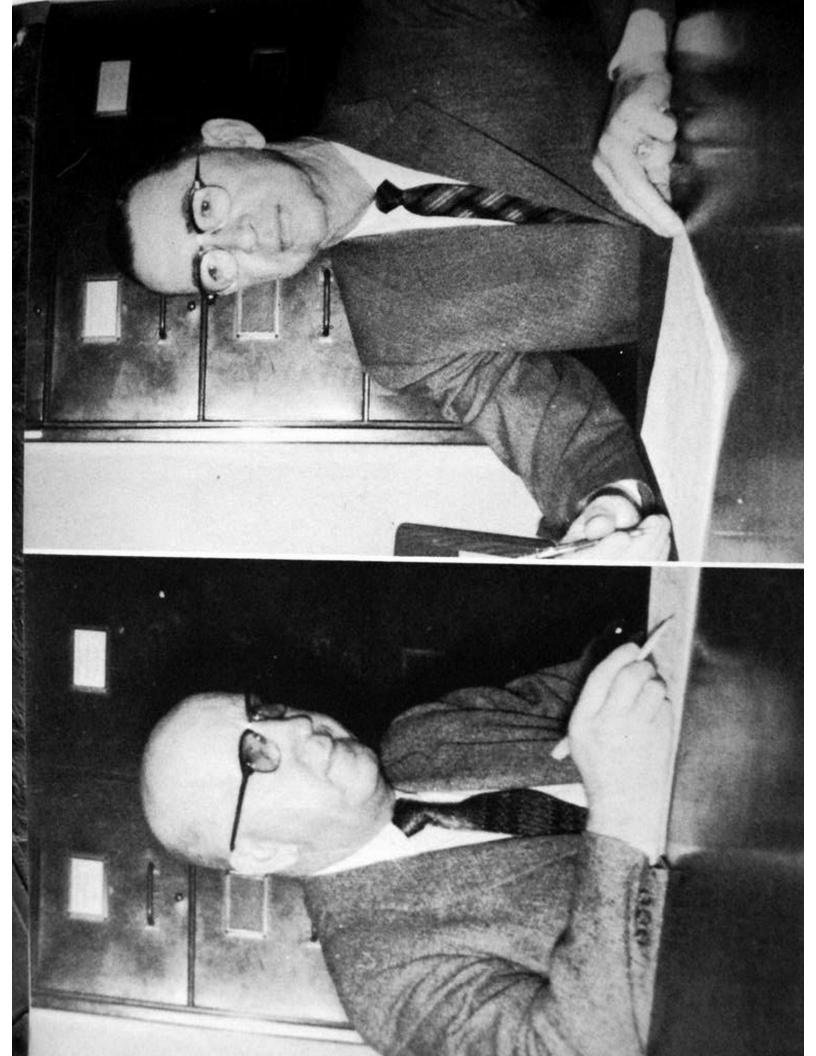

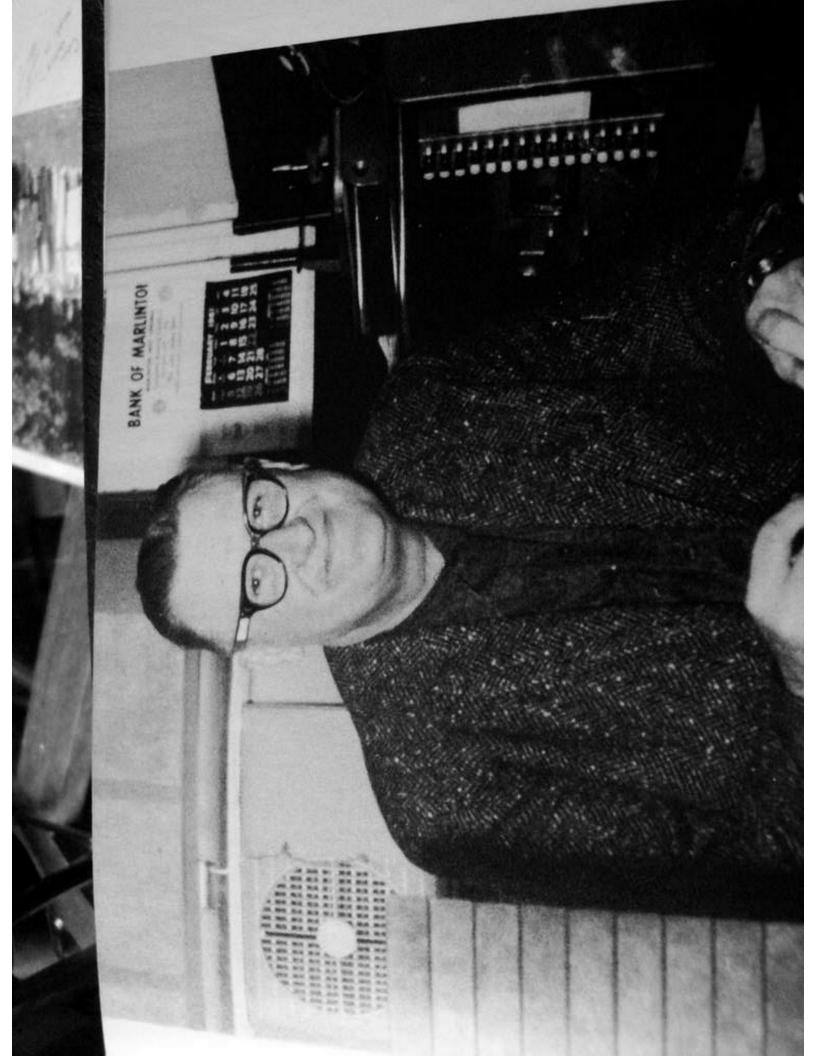

Mr. H. A. Yeager, Principal

Class of 1961 -

No class has ever had a greater challenge. In a world full of miracles you can take a place. How small or how large a place will depend on how hard you work at your education and your assigned job.

I congratulate you on your present attainments and wish for you all the success in the world.

### Our Class History

It seems only yesterday that this class was saying hello to primers and number books, but it has been twelve years since they began their formal education. Each class about to graduate begins to reminisce about the good old days and the big moments of their past.

On the first day of school in September of 1957, 88 green freshmen huddled in the halls of M.H.S. looking very serious and calm but feeling very confused. We were glad there were so many of us to battle those upperclassmen, for they soon took us in tow and let us know our place. With Mr. Wooddell's and Mrs. Killingsworth's guiding hands as sponsors, we finally got ourselves organized by electing Emmett Bailey for our president, Evilene Friel for vice-president, Virginia Gallaher as secretary, and Hugh Jackson as treasurer. Initiation paced the beginning of our class activities. Although we were humiliated and laughed at and made to perform a dozen menial tasks for our slave-masters, it was fun for us too. And when the day was over we felt we were now full-fledged members of Marlinton High. After a year of fun and study, we parted with a smile and plans for our summer vacation.

After three months of rest, we entered our sophomore year. This year, we chose as officers: Emmett Bailey, president; Hugh Jackson, vice-president; Tiney McComb, secretary; and Lyle Campbell, treasurer. Our activities were in the hands of Mr. Brill and Mrs. Currence. This was the year that we really entered into the spirit of school.

Our junior year was one of our busiest. Our hands began to play a more important part as we were gradually becoming leaders. Mr. Frances McElwee and Mrs. Moore were our sponsors. We elected Emmett Bailey for junior president. He was officially assisted by Hugh Jackson, vice-president; Tiney McComb, secretary; and Ann Eskridge, treasurer. It was during this junior year that many of us received our class rings. Our first big thrill as upperclassmen was presenting the play, "Janie". Other activities included the junior-senior banquet and that rememberable junior prom.

In the fall of 1960, we returned from summer vacation, sadder, but wiser, realizing that our happy days at Marlinton High School were ending; we resolved to make each one a worth-while memory. It was crammed full of excitement with senior pictures, the yearbook, the play, "The Defiance of David Charles" -- and now and then a day of school. Emmett Bailey was named chief executive of our wise leaders. Hugh Jackson, Ann Eskridge, and Jane Kay Michael filled out the dist of other officers, and Mr. Charles McElwee and Mrs. Bailey were our guiding lights. The football team listed ten seniors. Four of the starting line-up on the basketball team were from our class. Nearing the end of our senior year, we took our really Final Finals, worked on our Class Night program, and other activities preceding graduation.

In a few days we will be graduated and we will leave M. H. S., but we will always remember the fine times we have had here and know they will prove to be some of the best days of our lives.

The '60 football season, Coach Friel's first at the helm, saw the Copperheads gradually come along to finish with a creditable record of three wins and six losses. This record was excellent when one considers that the young coach had an extreme paucity of experience on his squad.

Toward the end of the season rival coaches agreed that the Copperheads were "arriving" and were developing into a sound, hard-hitting club. There was accord among the spectators that the Greenbank game was one of the best games seen in this area in recent years. This game, our best effort of the season, ended with our boys on the short end of a 2-0 score, but there was no glory for the winner.
